

One-Pager: **DUE next class**

For this reading, I would like you to create a one-page response.

You must answer the following questions.

You may answer them in any way you like, but **your response must fit on the front of an 8.5"x11" piece of paper.**

1. Trace 3 distinct organizational patterns and techniques McCloud uses in this chapter.
2. Identify 3 distinct abstract ideas McCloud develops in the chapter.
3. Give an example of a reference McCloud makes to an outside artist, work, or scholar that he cites by naming the work or author/artist. Then, give an example of an allusion McCloud makes to an outside artist, work, or scholar (that he does not directly reference/cite).
4. Find another example of a reference McCloud makes to an outside artist, work, or scholar, and provide brief additional information about the reference. You should cite any sources you use.
5. Show one example of A-P-C from the chapter.
6. Choose one page from the excerpt and discuss how McCloud achieves his purpose on the page through rhetorical techniques. Be specific in identifying the techniques and fully explain the significance of the techniques.

Use MLA formatting for all references to specific pages and for any other works you cite.
